

## **Work Experience for Engineering Students**

SDA Engineering is a leading project engineering company for Power Generation applications. We are specialists in the design, installation and commissioning of distributed Power Stations driven by gas engines and gas turbines. We are involved in bio-gas, cogeneration and renewable energy projects.

For more information refer to [www.sdaengineering.com.au](http://www.sdaengineering.com.au)

The company is located at Thebarton in the University of Adelaide's Commerce and Research Precinct.

We have places available for 3<sup>rd</sup> or 4<sup>th</sup> year Engineering Students (Mech. and Elect.) that are interested in 6 to 12 weeks full time or part time work experience. Please apply to Mr Leon Daych by sending a brief CV and Academic transcript to: [leond@sdaengineering.com.au](mailto:leond@sdaengineering.com.au)
